Product Description

P-Toluenesulfonic Acid CAS 104-15-4 Reactive Intermediates In Organic Chemistry

p-toluene sulfonic acid (Its molecular structural formula is p-CH3C6H4SO3H, also known as TsOH, English name is p-toluene sulfonic acid) referred to as PTS, is a non-oxidizing organic acid, white needle or powder crystals, soluble in water, alcohols, ethers and other polar solvents. Easy deliquescence, easy to make wood, cotton fabric dehydration and carbonization, insoluble in benzene and toluene. generating p-cresol when alkali fusion. Commonly, p-toluenesulfonic acid-monohydrate (TsOHH2O) or tetrahydrate (TsOHH4O) is preferred. Preparation of methyl p-cresol acid in industry is by using concentrated sulfuric acid on the toluene sulfonation of p-toluenesulfonic acid. The preparated p-toluenesulfonic acid often contains benzene sulfonic acid and sulfuric acid impurities, can be purified in recrystallization of concentrated hydrochloric acid, azeotropic drying. p-toluene sulfonic acid is widely used as catalyst agent in the synthesis of pharmaceuticals, pesticides, polymerization stabilizer and organic synthesis (esters, etc.), paint intermediates and resin curing agent. And it is also the commonly used acid catalyst in organic synthesis. It is neutralized with sodium hydroxide and then obtains sodium p-toluene sulfonate, and react with phosphorus pentachloride, can obtains p-toluenesulfonyl chloride. The latter used in the nucleophilic substitution reaction, also used as alcohol hydroxyl protective group. p-CH3C6H4SO3Na + PCI5 \rightarrow p-CH3C6H4SO2CI. The use of p-toluenesulfonic acid also catalyzes the protection of dihydrofuran on the alcohol, carboxylic acid esterification, transesterification reaction, making the aldehyde generate acetal.

P-Toluenesulfonic Acid Usage:

Used as edible essence, daily chemical essence and pharmaceutical intermediates

P-Toluenesulfonic Acid Packaging and Shipping: 25KG/drum

P-Toluenesulfonic Acid Storage:

Stored in a dry and ventilated warehouse; keep away from sunshine; avoid fire; avoid moisture.

Product Name	p-Toluenesulfonic acid
Purity	≥99%
Colour	Clear colorless to light yellow
CAS NO.	104-15-4
Molecular Formula	C7H8O3S
Molecular Weight	172.2
Storage	Store in cool and dry places, keep away from strong light.

I Detailed Photos

Xingtai Xinzhou Technology Co., Ltd.

Xingtai Xinzhou Technology Co., Ltd.

I Company Profile

Xingtai Xinzhou Technology Co., Ltd.

Xingtai Xinzhou Technology Co., LTD.

Xingtai Xinzhou Technology Co., Ltd. was established in 2022 with strong research and development capabilities and superb synthesis technology, as well as advanced quality control measures. Effectively promote the joint venture and cooperation with the major enterprises, manufacturers, with the idea of industrial development to serve the society and the majority of users. We always adhere to the market demand as the orientation, constantly synthesizing new high-tech chemical products and medical intermediates, mainly exported to the United States, India, South Africa, Nigeria and other countries and regions, has a wealth of export experience, to ensure transportation safety, can let each customer as soon as possible to safely receive the goods.

I Our Advantages

Xingtai Xinzhou Technology Co., Ltd.

Rich Experience	Our company is a professional production leading factory in China in pharmaceutical area of many years.
Top Quality	High quality guaranteed, once any problem is found, the package would be reshipped for you.
Fast Delivery	We have in stock, so we can delivery quickly once payment is received.
Security Shipping	We guranteed 100% safe shipment by special lines to different cities, and double custom clearance door to door.
Superior Service	We will give you warm after-sale service, if any question we will reply you within 8 hours.Sample test and OEM/ODM available.
S Competitive Prices	Factory directly supply to clients, lower prices, more competitiveness.

I Delivery Record

Xingtai Xinzhou Technology Co., Ltd.

CG381599466DE 成功签收 (12 天)		使国 DHL Pake			(orissino)	2023-04-01 11 03 France. The shipment has been successfully deliver

FAQ

Q1: Are you a manutacturer or trading company?

We are manufacturer, welcome to visit us.

Q2: How to confirm the product quality before placing the order?

Sample could be provided , and we have the inspection report issued by an authoritativethird-party testing agency.

Q3: What's your MOQ?

It depends on different products , we can accept sample order or provide sample for your test.

Q4: How about delivery time / method?

We usually ship within 1-3 working days after your paymentWe can ship by door to door courier, air , sea , you also can choose your forwarder shipping agent.

Q5: Do you provide after sales service?

provide 24* 7 service . We can talk by email , skype , whatsapp , phone or whatever youfeel convenien.

Q6: How to solve the after-sale disputes?

We accept Changing or Refunding service if any quality problem.
