

Tanning Droppers 10mg Melanotan 2 CAS 121062-08-6 Medical Raw Materials

Our Product Introduction

Basic Information

- Place of Origin: Wuhan, China
- Brand Name: Xinzhou
- Certification: COA,GMP,CQC,SGS
- Model Number: 121062-08-6
- Minimum Order Quantity: 100mg
- Price: Negotiate
- Packaging Details: 10mg/vial
- Delivery Time: 1-3 work days
- Payment Terms: T/T advance, Bitcoin ,western union,Bank transfer
- Supply Ability: 500kg per week

Product Specification

- Name: Melanotan II
- CAS: 38304-91-5
- Molecular Formula: C50H69N15O9
- Purity: 99%
- Appearance: White Powder
- Package: 1kg/bag; 25kg/drum
- Molecular Weight: 1024.18
- EINECS NO.: 1308068-626-2
- Desity: 1.43
- Storage Condition: Keep In Dark Place,Sealed In Dry,Store In Freezer, Under -20°C
- Highlight: **Tanning Droppers 10mg Melanotan II, 10mg Melanotan 2 SGS, 121062-08-6 Medical Raw Materials**

Product Description

Tanning Droppers 10mg Melanotan II CAS: 121062-08-6 Medical raw materials

Melanotan 2 (CAS NO. 121062-08-6) was first synthesized at the University of Arizona. Researchers decided to find a more potent and stable alternative, one that would be more practical to defenses against skin cancer.

Melanotan 2I acts as a non-selective agonist of the melanocortin receptors.

Melanotan II is a peptide hormone belonging to the alpha-melanocyte-stimulating hormone (alpha-MSH) class of mimetics. Melanotan II is a synthetic analog pituitary derived Melanocortin. The peptide is primarily known for its ability to help with tanning but is also used to aid in erectile function. Melanotan II, also referred to as MT-2, has no use of significance beyond tanning and erectile function.

Melanotan II (also known as MT-II or MT-2) is an injectable peptide hormone used to promote tanning. MT-II works by stimulating alpha-melanocyte receptors, which promotes formation of melanin in response to sun exposure. When a substantial amount of MT-II has been taken within recent "memory" of the skin cells, an individual tans as if he were a genetically darker type.

Melanotan II analog of alpha-melanocyte stimulating hormone (a-MSH). Melanotan peptides are safe and efficacious with growing long term data. Melanotan 2 is a freeze dried peptide sealed in a sterile multi-use vial. Tanning injections of synthetic potent a-MSH allow for development of photo-protective suntans in all skin types.

Functions

1. It's a kind of nutritional supplement.
2. It can improve the aerobic metabolism of the muscle and greatly enhance muscle strength and endurance from diet alone.
3. It can be used as nutrition enhancer.
4. It's one of the most popular and effective nutritional supplements as well as the indispensable product for bodybuilders.
5. It is also widely used by other athletes, such as football players, basketball players and so on.

Application

Like every peptide we have discussed thus far, please remember that peptides come in the form of a white delicate powder and should be stored out of light in a cool dry place. All peptides need to be reconstituted with bacteriostatic water or sodium chloride specifically used for injections. In order to use Melanotan II effectively, you need to understand your skin type. To keep things simple, we can go ahead and break skin types into three categories.

Skin Type 1: Very fair skin, never tans. Dosages: 50-60mgs or 5-6vials.

Skin Type 2: Fair skin, burns but sometimes tans. Dosages: 30-40mgs or 3-4 vials.

Skin Type 3: Medium skin, sometimes burns and always tans. Dosages: 20mgs or 2 vials.

Beyond that, if your pigmentation is already naturally olive or darker, you will need to use less Melanotan II for your tanning needs. The tan results coupled with exposure to sunlight and UV rays should last a user all summer or through a season.

Product Name	Minoxidil
Purity	≥99%
Appearance	White powder
CAS NO.	121062-08-6
Molecular Formula	C50H69N15O9
Molecular Weight	1024.18
Storage condition	Keep in dark place, Sealed in dry, Store in freezer, under -20°C

I Company Profile

Xingtai Xinzhou Technology Co., Ltd.

Xingtai Xinzhou Technology Co., LTD.

Xingtai Xinzhou Technology Co., Ltd. was established in 2022 with strong research and development capabilities and superb synthesis technology, as well as advanced quality control measures. Effectively promote the joint venture and cooperation with the major enterprises, manufacturers, with the idea of industrial development to serve the society and the majority of users. We always adhere to the market demand as the orientation, constantly synthesizing new high-tech chemical products and medical intermediates, mainly exported to the United States, India, South Africa, Nigeria and other countries and regions, has a wealth of export experience, to ensure transportation safety, can let each customer as soon as possible to safely receive the goods.

I Our Advantages

Xingtai Xinzhou Technology Co., Ltd.

Rich Experience

Our company is a professional production leading factory in China in pharmaceutical area of many years.

Top Quality

High quality guaranteed, once any problem is found, the package would be reshipped for you.

Fast Delivery

We have in stock, so we can delivery quickly once payment is received.

Security Shipping

We guranteed 100% safe shipment by special lines to different cities, and double custom clearance door to door.

Superior Service

We will give you warm after-sale service,if any question we will reply you within 8 hours.Sample test and OEM/ODM available.

Competitive Prices

Factory directly supply to clients,lower prices,more competitiveness.

I Delivery Record

Xingtai Xinzhou Technology Co., Ltd.

CG381599466DE 已 成功签收 (12 天)	德国 — 法国 DHL Parcel — La Poste (Colissimo)	2023-04-01 11:03 France. The shipment has been successfully delivered

FAQ

Q1: Are you a manufacturer or trading company?

We are manufacturer, welcome to visit us.

Q2: How to confirm the product quality before placing the order?

Sample could be provided, and we have the inspection report issued by an authoritative third-party testing agency.

Q3: What's your MOQ?

It depends on different products, we can accept sample order or provide sample for your test.

Q4: How about delivery time / method?

We usually ship within 1-3 working days after your payment. We can ship by door-to-door courier, air, sea, you also can choose your forwarder shipping agent.

Q5: Do you provide after sales service?

provide 24*7 service. We can talk by email, skype, whatsapp, phone or whatever you feel convenient.

Q6: How to solve the after-sale disputes?

We accept Changing or Refunding service if any quality problem.
