

Pyrroloquinoline Quinone Disodium Salt CAS 122628-50-6 PQQ With Fast Delivery

Our Product Introduction

Basic Information

- Place of Origin: Hebei, China
- Brand Name: Xinzhou
- Certification: COA, GMP, CQC, SGS
- Model Number: 122628-50-6
- Minimum Order Quantity: 10g
- Price: Discuss in detail
- Packaging Details: 10g 100g 1kg/bag
- Delivery Time: within 3 days
- Payment Terms: T/T, Western Union, MoneyGram, telegraphic transfer and bitcoin
- Supply Ability: 500kg/week

Product Specification

- Cas No.: 122628-50-6
- Product Name: Pyrroloquinoline Quinone Disodium Salt
- MF: $C_{14}H_4N_2Na_2O_8$
- Purity: 99%
- Grade Standard: Medicine Grade
- Other Names: Disodium 4,5-dihydro-4,5-dioxo-1H-pyrrolo(2,3-f)quinoline-2,7,9-tricarboxylate; PQQ, Pyrrolo-quinoline-quinone disodium salt; sodium 9-carboxy-4,5-dioxo-4,5-dihydro-1H-pyrrolo[2,3-f]quinoline-2,7-dicarboxylate; PQQ disodium Chemicalbookium; 1H-Pyrrolo[2,3-f]quinoline-2,7
- Sample: Available
- Highlight: **Pyrroloquinoline Quinone Disodium Powder, CAS 122628-50-6, Pharmaceutical API PQQ Powder**

Product Description

Pyrroloquinoline Quinone Disodium Salt CAS 122628-50-6 PQQ With Fast Delivery

Description:

Pyrroloquinoline quinone disodium salt is the disodium salt of Pyrroloquinoline quinone, its function is same as Pyrroloquinoline quinone.

In a 2009 study published in the medical journal Food Style, Pyrroloquinoline Quinone has been shown to have the ability to help protect. It be used to protect cognitive decline (memory loss, learning difficulty, etc.) due to age, stroke or neurodegenerative disorders, and protection from cardiac and neurological ischemic events. Similar results were reported in a 2011 follow-up study in which Pyrroloquinoline Quinone was also given directly as a dietary supplement, such as milk-based meal replacement beverages.

Pyrroloquinoline quinone disodium salt can involves a direct action on key enzymes involved in the energy producing compartments in our cells - the mitochondria, theapy improves energy production. Pyrroloquinoline quinone disodium salt In addition to having a powerful antioxidant effect, it also can protects against mitochondrial damage. Not only protects mitochondria from oxidative stress, it also promotes the spontaneous generation of new mitochondria within aging cells.

Product Name	Pyrroloquinoline quinone disodium salt
Brand Name	PQQ-2Na
CAS No.	122628-50-6
Molecular Weight	374.17g/mol
Purity	99% HPLC
Appearance	Reddish orange to Reddish Brown Fine Powder
Solubility	Soluble in Water
Typical use	Treatment Alzheimer's disease, Novel Antidepressants
Standard Packing	100gram,1kg
Shelf Life	2 years
Storage	Room temperature away from light

Certificate

An ISO 9001 & GMP qualified company, we are mainly specialized in producing high quality but low price Pharmaceutical intermediates, APIs and other fine chemicals & cosmetics products which related to human and animals medicines as well as additives in gas & oil field, almost half of the goods are for exporting. What's more, we provide the OEM (customize) manufactures, if you can't find materials from the world, then tell us, we will research and produce in our high-tech equipped laboratory. We are dedicated to satisfying our customers with our products and services

1. We can provide you with ten thousands of products of different levels.

2. We offer convenient one-station purchasing service.

(1) Any inquiries will be replied within 12 hours.

(2) Dedication to quality, supply & service.

(3) Strictly on selecting raw materials.

(4) Reasonable & competitive price, fast lead time.

FAQ:

Q: How to confirm the product quality before placing an order

1) You can get free samples of some products, just pay the basic fee for us.

2) You can also send us the specifications or your requirements, and we will customize the product for you.

Q: How long is your delivery time

A: Generally 1-3workdays after order confirmed

Q: What is the regular MOQ for your products

A: Our MOQ starts from 1g and generally starts from 10g. For other low value product, our MOQ starts from 100g and 1kg.

Q: How do you treat quality complaint

A: All our products are strictly tested by our QC, and confirmed by QA; unqualified material will not be released to customer. In case any quality problem is confirmed to be caused by us, we will replace the goods or refund your payment immediately.

Q: What's your terms of payment

A: T/T, Western Union, MoneyGram, telegraphic transfer and bitcoin
