

Thymosin Beta 99% Lyophilized Powder 62304-98-7 Thymosin Alpha Peptides

Our Product Introduction

Basic Information

- Place of Origin: Hebei, China
- Brand Name: Xinzhou
- Certification: COA, GMP, CQC, SGS
- Model Number: 62304-98-7
- Minimum Order Quantity: 1 box
- Price: Discuss in detail
- Packaging Details: vial
- Delivery Time: within 3 days
- Payment Terms: T/T, Western Union, MoneyGram, telegraphic transfer and bitcoin
- Supply Ability: 500kg/week

Product Specification

- Cas No.: 62304-98-7
- Product Name: Thymosin α 1
- MF: C129H215N33O55
- Purity: 99%
- Grade Standard: Pharmaceutical Grade
- Sample: Available
- Highlight: **Thymosin Beta Lyophilized Powder, Cosmetic Grade Thymosin Alpha Peptides**

Product Description

Mots-C CAS 1627580-64-6

Description:

WHAT IS Thymosin Beta ?

Thymosin Beta is was used for the purpose of research. It is known to mimic part of the larger peptide known as Thymosin Beta . However, because TB has a much smaller molecular weight it is easier to use than the full Thymosin Beta peptide. This synthetic peptide has a long list of benefits and no known side effects which makes it the ideal peptide for those seeking muscle gain and a quick healing time. TB works by building new blood vessels and muscle tissue fiber while assisting in new cell migration and blood cell reproduction. It works based on its ability to upregulate cell-building proteins such as actin.

Thymosin Beta Benefits:

- Increased strength through muscle building
- Improved endurance
- Speeds up wound healing
- Reduces acute or chronic pain or inflammation
- Increased flexibility
- Increased hair growth

Products Name	Thymosin Beta
CAS No.	62304-98-7
Molecular Weight	4963.44g/mol
Sequence	Ac-Ser-Asp-Lys-Pro-Asp-Met-Ala-Glu-Ile-Glu-Lys-Phe-Asp-Lys-Ser-Lys-Leu-Lys-Lys-Thr-Glu-Thr-Gln-Glu-Lys-Asn-Pro-Leu-Pro-Ser-Lys-Glu-Thr-Ile-Glu-Gln-Glu-Lys-Gln-Ala-Gly-Glu-Ser
Appearance	White Lyophilized powder
Storage	After reconstitution store at 2°C - 8°C

Detailed photo

Company Profile

Xingtai Xinzhou Technology Co., LTD.

Xingtai Xinzhou Technology Co., Ltd. was established in 2022 with strong research and development capabilities and superb synthesis technology, as well as advanced quality control measures. Effectively promote the joint venture and cooperation with the major enterprises, manufacturers, with the idea of industrial development to serve the society and the majority of users. We always adhere to the market demand as the orientation, constantly synthesizing new high-tech chemical products and medical intermediates, mainly exported to the United States, India, South Africa, Nigeria and other countries and regions, has a wealth of export experience, to ensure transportation safety, can let each customer as soon as possible to safely receive the goods.
